TO WHOM IT MAY CONCERN

Date: **30-Oct'26**

This is to certify that Mr. Harsh Aggarwal has successfully completed an internship as a Software Development Intern, working with Unity and C# technologies, at Ingenuity Gaming Private Limited under the guidance of Mr. Jai Prakash, from 8 August 2026 to 30 October 2026.

During the internship, Harsh demonstrated strong technical and problem-solving skills, along with a proactive approach to learning new concepts and technologies. He consistently showed dedication, professionalism, and a positive attitude towards his work. His performance exceeded expectations, and he successfully completed the assigned projects and responsibilities within the stipulated timelines.

We appreciate his contributions during his internship and wish him every success in his future academic and professional endeavour's.
